

NOTE: Supply and Service solicitation information will no longer be posted FedTeDS. These solicitation documents will be posted in FedBizOps at www.fbo.gov .

For security reasons, all **CONSTRUCTION** technical and engineering data related to New Orleans District **CONSTRUCTION** solicitations will be distributed using the Federal Technical Data Solutions (FedTeDS) system. FedTeDS is a web-based dissemination tool designed to safeguard acquisition-related information for all Federal agencies. Interested bidders must register with FedTeDS before accessing the system. Registration instructions can be found on the FedTeDS website (<https://www.fedteds.gov>) by clicking on the Register with FedTeDS hyperlink. Contractors registered with the Federal Technical Data Solutions (FedTeDS) may view and/or download this solicitation and all amendments from the Internet after solicitation issuance at links that can be found on FedBizOps (www.fbo.gov) or on the New Orleans District web site at www.mvn.usace.army.mil. Click on Contracts and then Procurement Opportunities. Click on the solicitation number and it will send you to FedTeDS. Type in your username and password. A page will come up and you Accept. The next page will say Solicitation Information, click on file name and begin downloading. Do not click on the paperclip, click on the blue informational line. It may take some time to download the files. Zip files containing .cal drawing files should be downloaded and extracted together in a single directory. You will need the adobe acrobat reader for .pdf files (www.adobe.com) and the maxview reader (www.maxview.com) for .cal files in order to open most files posted by the New Orleans District. You are advised that FedTeDS currently does not have a Plan Holders List capability. However, you are encouraged, for marketing purposes, to register as an Interested Vendor in FedBizOps (www.fbo.gov). This can be done by clicking on the solicitation title and clicking on the button that says Register as an Interested Vendor and entering your business information. Offerors are also encouraged to post notices of prospective subcontracting opportunities on the Small Business Administrations Subnet, at <http://web.sba.gov/subnet>. Offerors must be registered with the Central Contractor Registration (CCR), in order to receive a Government contract award. To register, the CCR Internet address is: <http://www.ccr.gov>.

Supply and Service solicitation information will no longer be posted FedTeDS. These solicitation documents will be posted in FedBizOps at www.fbo.gov.
